

Welcome to the 2nd LAPS User Workshop

Daniel Birkenheuer

2012 LAPS Workshop – Boulder CO
23-26 Oct 2012

Welcome

- Thank you all both local and remote participants for making the effort to join us for this workshop. Without you this would not be possible.

Information

- Agenda (available on the web) some copies
- WiFi access within the meeting room.
- Start times 8:30 am each day, arrive early if you wish for preparation
- Breakout sessions will have dial-in capability. Including international
- Breakout topics/operation will be introduced later.
- Cafeteria location.
- Coffee and snacks

Information

- A word on the agenda – we will try to follow closely, be mindful of your time.
- Microphones – speakers, repeat questions
- Plan to have 5min for Questions for every talk.
 - If your talk is 20 min, this means 15 min for talk, 5 for Questions and discussions.
 - Please help by following the guidance of the timer so everyone has a chance to speak.

Information

- Regarding talks for posting on the web later.
- We would like to obtain these this week.
- We understand that some of the presentations need to be cleared for later posting to our site and can wait for that.
- If you do not want your material posted, please raise your hand and let us know.

Information

- Contact information – please sign in or make sure your registration is accurate, it can be edited.
- Finally thank you to all the organizers who have helped.
